Note: Where arrival of train is prior to 7:00 A.M., passengers should be permitted to occupy sleepers until 7:00 A.M. Where departure of train is 10:30 P.M. or later, sleepers should be set for occupancy 10:00 P.M.

Baggage exhibition cars should be placed for public viewing commencing approximately 10:00 A.M. (In the case of Washington, D.C., they should be set by noon if possible. We may be able to leave Cincinnati earlier so as to arrive Washington correspondingly earlier — advice on this later).
